The 2018-2019 school year will bring about a few changes to both our daily and mass school uniform. Here are some helpful pictures to clarify acceptable daily shirts:

These are the former dri-fit style shirts with white piping that are required to be tucked in.

The new dri-fit shirts with hemmed bottoms are NOT required to be tucked in.

There will also be a white dri-fit shirt for seniors only. (picture not available)

For our returning students, the following shirts have now been phased out. (former crest)

New mass shirts for male students are also available as an option to the oxford shirt and tie. (picture not available)

Just a reminder that the class officers will meet with the Administration to discuss Spirit Day options.
